& FLORIADE - THE WORLD HORTICULTURAL EXPO

See Holland from the best possible angle – from its particularly dense and elaborate network of waterways that spread throughout the country, taking you past the seemingly endless tulip fields and many small picturesque places and offering you a complete range of memorable excursions. This cruise allows you to see the sights of **Amsterdam, Arnhem, Ghent, Antwerp, Bruges and Brussels** and offers one further, very special highlight, namely a visit to the famous **FLORIADE World Horticultural Expo**, which takes place in the Netherlands only once every ten years. Our passengers have a whole day's excursion for this; starting with an orientation drive through Maastricht and continuing with plenty of time to enjoy the various pavilions and gardens with the most extraordinary arrays of flowers, plants and trees and unusual fruit and vegetable varieties. Each day FLORIADE also has a cultural programme featuring music, dance, literature and theatre from all over the world.

If, on the other hand, you might prefer taking in the architectural highlights of one of the oldest and most impressive Dutch cities then you would certainly enjoy the alternative of a thorough guided tour of **Maastricht**. The morning is reserved for, among other sights, the famous Bonnefanten museum of ancient and contemporary art and Maastricht's Onze Lieve Vrouwe (Church of Our Lady) cathedral, while the afternoon can be devoted to exploring this wonderful city on your own.
