Another jewel of a journey takes you along Holland's important waterways and the rivers Rhine and Main – both of major historical importance. Starting in romantic **Amsterdam** this cruise first of all takes you along Holland's fascinating network of canals to **Cologne**, one of the Rhine's largest and most sparkling gems. The history of its vast cathedral goes back for more than 2.000 years. The AMADEUS Elegant then continues to the famous Deutsche Eck at the confluence of the Moselle and the Rhine in **Koblenz**. The cruise on to **Bamberg** seems to be a seamless series of vineyards, wine-growing villages and half-timbered buildings. You then travel along the famous and interesting **Rhine-Main-Danube Canal** to the cruise's final destination, the Franconian city of **Nuremberg**.

A really special highlight of this itinerary is the optional add-on 3-day visit to the "golden city" of **Prague**. The capital of the Czech Republic has tremendous cultural appeal, so your eventful voyage of discovery could be rounded off in great style by staying in the top class 5-star Hotel Le Palais and taking a tour of Prague's most important sights. This cruise is also operated the other way round, from Nuremberg to Amsterdam.
