MS AMADEUS ROYAL

This cruise takes you on one of the finest voyages of discovery of your life - from the Alps to the Danube Delta. Along the route are not only great European capital cities such as Vienna, Budapest and Belgrade, but also seemingly endless and very diverse scenery on the riverbanks. In particular there's Austria's romantic Wachau district, the famous Iron Gates between Romania and Serbia, and finally the nature reserve adjoining the Black Sea - each area having its individually stimulating form and atmosphere. There's no more comfortable way of absorbing these natural sights and cultural treasures than by taking this round trip starting and ending in Passau.
